

Week 8 (Autumn 1) – Our sense. What do we use our hands, nose and mouth for?

This week we plan to...

- Continue our '**All About Me!**' topic.
- Read '**Who's making that smell**' and talk about smells that we like / dislike.
- Sing '**The Five Senses Song**' and join in with the actions.
- Name our five senses and focus on smell, taste and touch.
- Use our sense of touch to explore different textures. Can we describe the object?
- Use our sense of smell to guess what the smell is.
- Use our sense of taste and carry out a taste test.
- Learn all about the concept '**fast**' and practice playing instruments fast / not fast.
- Read a variety of stories and identify who was the main character in the story.
- Sing '**1 finger, 1 thumb**'.
- Recognise the colour **orange**.
