Nursery Application Letter

Dear Parents/Carers

We are pleased to welcome you and your family as prospective members of our community and look forward to a happy and successful association. Choosing your child's Nursery is an important family decision and we would like to extend an invite so that you can begin to feel part of our welcoming atmosphere. Our standards and expectations are high both socially and academically: our staff team and governing body are all committed to achieving our goals.

Our Nursery environment is lively and stimulating and we take pride in maintaining attractive orderly surroundings for children to work in. Above all, our staff team is ready and eager to work with you and your children in order to get the most from them, enriching and enhancing their talents whilst developing the whole child.

Education at its best stems from a partnership between parents, children and staff and we aim to educate your children with you. Thank you for the interest you have shown in our Nursery. You are most welcome to visit us to see first-hand what we have to offer, please contact the school office to make an appointment.

Please complete the form of the reverse of this letter to submit an application. Following this, the Nursery teacher will contact you to discuss your chosen hours requested.
