

Comberton Primary School

Early Years & Key Stage 1 User Agreement

This is how we stay safe when we use technology:

- I will ask an adult if I want to use the computers/iPads
- I will only use activities that a suitable adult in school has told or allowed me to use
- I will take care of the computers/iPads and other equipment
- I will ask for help from a suitable adult in school or Digital Leader if I am not sure what to do or if I think I have done something wrong
- I will lock the iPad or close the computer screen and tell an adult if I see something that upsets me on the screen.
- I will keep my own devices at home (e.g. mobile phones, smart watches, tablets)
- I will only communicate online with my teacher's supervision and will be kind at all times
- I know that these rules are to keep me safe. I know that if I break the rules, I might not be able to use the iPads/computers
- I understand that my activity on devices is monitored to keep me safe
- I understand that the school system has filters to keep me safe

We understand these computer rules and will do our best to keep them.
